### **Air Force**

1. Air Force Aircraft and Airfield Deicing/Anti-icing
2. Alternative Fueled Vehicles (AFV)
3. Battery Disposal
4. Disposal of Construction and Demolition Debris
5. Disposal of Fluorescent Light Tubes, High Intensity Discharge Lamps and Fluorescent Lamp Ballasts
6. Energy Conservation
7. Environmental Funding
8. Environmental Landscaping
9. Environmentally Preferable Products and Services
10. Hazardous Materials and Wastes: Labeling and Related Requirements
11. Hazardous Materials Pharmacy
12. Integrated Pest Management
13. Lead-Based Paint
14. MEEP: The Air Force Management and Equipment Evaluation Program
15. National Emission Standards for Hazardous Air Pollutants (NESHAP) for Aerospace Facilities
16. Recycling
17. Silver Recovery from Photographic and Imaging Wastes
18. Storm Water Pollution Prevention
19. Water Conservation

### **Army**

1. Acquisition Qualification Testing
2. Alternatives to Open Burning/Open Detonation: Turning Waste into Energy
3. Antifreeze Recycling
4. Bioremediation of Explosives-Contaminated Soil
5. Bullet Traps for Small Arms Ranges
6. Construction Materials from Commingled Waste Plastics
7. Enhanced Surface Coatings By Ion-Plating
8. Environmental Knowledge Base Advisor for Facility Life-Cycle Decisions
9. Fluid Recycling: Reducing Waste and Increasing Readiness
10. Integrated Solid Waste Management
11. Lead-Based Paint: Activities at the CERL Paint Technology Center
12. Recycled Plastic Lumber for Military Engineering Applications
13. Renewables and Energy Efficiency Planning (REEP)
14. Solid Waste Characterization
15. Used Solvents Testing and Reclamation

### **Navy**

1. 55 Gallon Drum Conditioner – *Environmental Quality Initiative*
2. 55 Gallon Drum Washer/Conditioners – *P2 Equipment Program*
3. Absorbent Pad Wringer – *Environmental Quality Initiative*
4. Aerosol Can Puncturer – *Environmental Quality Initiative*
5. Aerosol Can Puncturer Systems – *P2 Equipment Program*
6. Air Emissions Credit Program – *Environmental Quality Initiative*
7. Aircraft Maintenance Chromium Replacement – *NAWC Warminster*
8. Aqueous Jet Parts Washer – *Environmental Quality Initiative*
9. Closed Loop Wash Racks – *Environmental Quality Initiative*
10. Constructed Wetlands – *Environmental Quality Initiative*
11. Digital Imaging System – *Environmental Quality Initiative*
12. Enzyme Bioremediation Parts Washer – *Environmental Quality Initiative*
13. Fluorescent Tube Recyclers – *P2 Equipment Program*
14. Fluorescent Tube Recycling – *Environmental Quality Initiative*
15. Foam Distribution Kit for Crash, Fire, & Rescue Trucks – *Environmental Quality Initiative*
16. Fuel Cell – *Environmental Quality Initiative*
17. Fuel Recycler – *Environmental Quality Initiative*
18. Fuel Recyclers – *P2 Equipment Program*
19. Glove Box Plastic Media Blaster – *Environmental Quality Initiative*
20. Glycol Recycler – *Environmental Quality Initiative*
21. Halon 1301 Recycling Unit – *Environmental Quality Initiative*
22. High Pressure Water Blasting System – *Environmental Quality Initiative*
23. High Volume Low Pressure (HVLV) Paint Spray Systems – *P2 Equipment Program*
24. HVLV Paint Spray System – *Environmental Quality Initiative*
25. Hydraulic Fluid Purifier – *Environmental Quality Initiative*
26. Improved Stenciling and Marking System – *Environmental Quality Initiative*
27. In-Vessel Composting – *Environmental Quality Initiative*
28. IPA Vapor Degreaser – *Environmental Quality Initiative*
29. Large Pulpers – *Carderock Division*
30. Low Mercury Fluorescent Light Tubes – *Environmental Quality Initiative*
31. Low VOC Paints – *Environmental Quality Initiative*
32. Magnetic Particle Fluid Purifier – *Environmental Quality Initiative*
33. Mini-Max Portable Steam Cleaning – *Environmental Quality Initiative*
34. Mobile Sodium Nitrite Wastewater Treatment Systems - *NFESC*
35. Oil Filter Crusher – *Environmental Quality Initiative*
36. Oil Filter Crushers – *P2 Equipment Program*
37. Oxygen Component Ultrasonic Cleaning System – *Environmental Quality Initiative*
38. Paint Gun Washer – *Environmental Quality Initiative*

### **Navy, Continued**

- 39. Paint Tinting System – *Environmental Quality Initiative*
- 40. Particle Counter – *Environmental Quality Initiative*
- 41. Pesticide Application Cart – *Environmental Quality Initiative*
- 42. Plastic Media Blast Booth – *Environmental Quality Initiative*
- 43. Plastic Waste Processors – *Carderock Division*
- 44. Plural Component Paint System – *Environmental Quality Initiative*
- 45. Pneumatic Spill Vacuum – *Environmental Quality Initiative*
- 46. Portable Vacuum Sanding System – *Environmental Quality Initiative*
- 47. Powder Coating System – *Environmental Quality Initiative*
- 48. Rag Laundering Contract – *Environmental Quality Initiative*
- 49. Small Pulpers – *Carderock Division*
- 50. Sodium Bicarbonate Blasting System – *Environmental Quality Initiative*
- 51. Solid Waste Baler/Conveyors – *P2 Equipment Program*
- 52. Solid Waste Management – *Environmental Quality Initiative*
- 53. Solid Waste Shredders – *Carderock Division*
- 54. Solvent Distillation – *Environmental Quality Initiative*
- 55. Solvent Substitution – *Environmental Quality Initiative*
- 56. Super Flight Line Electrical Distribution System – *Environmental Quality Initiative*
- 57. Terra-Kleen Extraction Technology, An Innovative Method for Treating PCBs in Soil January 1995 – *Navy's Environmental Leadership Program*
- 58. UNICOAT Paint System – *Environmental Quality Initiative*
- 59. Wet to Dry Filter Paint Spray Booth-Conversions – *P2 Equipment Program*
- 60. Wet-to-Dry Filter Paint Booth Conversion – *Environmental Quality Initiative*
- 61. Yard Waste Composting - *Norfolk Naval Base*
